1. Permitted Use

- You may install and use the licensed fonts on a computer or tablet to create images on fixed-size surfaces, such as screens, paper, websites, mobile devices, photographs, film credits, and printed material. All fonts are licensed for commercial use.
- You may create scalable drawings with the licensed fonts, provided that the files are used only by the household or company holding the license.
- Fonts may be used for movie credits and broadcast titles if all users involved are covered under a Desktop license.
- If fonts are used for commercial merchandise (e.g., t-shirts, mugs, posters, clothing), logos, wordmarks, monograms, trademarks, or taglines, an extended license may be required.
- Use in political campaigns, political messaging, or by political parties, organizations, or lobbying groups requires **prior written approval** from Samuelstype.

You may not otherwise distribute, share, or grant access to the fonts to third parties.

4. Embedding

- You may embed fonts in documents sent to third parties, provided they may only view and print (not edit or reuse) the fonts.

- Embedding fonts in software or hardware products intended for distribution requires a separate license. Contact Samuelstype for details.
- Embedding in mobile apps, video games, or similar platforms may also require a different license (see the Mobile App License).

5. Conversion and Modification

- You may import individual characters as graphical objects into a drawing program and modify those objects.
- You may not modify, adapt, translate, reverse-engineer, decompile, disassemble, or create derivative works from the fonts themselves without prior written consent from Samuelstype.

6. Copyright

The fonts and related materials are copyrighted and contain proprietary trade secrets of Samuelstype. Unauthorized copying, even if modified or merged with other software, is strictly prohibited. You may be held legally liable for any infringement resulting from failure to comply with this Agreement. All rights not expressly granted under this licence are reserved to Samuelstype.

7. Termination

This Agreement remains valid until terminated. It will automatically terminate if you breach its terms. Upon termination, you must delete all fonts and copies, including modified versions.

8. Warranty and Disclaimer

- This includes restrictions against generating merchandise, PDFs, image files, or personalized products.

Any subsetted fonts you create under this clause will be subject to the full terms and conditions of this Agreement.
- Use of the Webfonts with alternative technologies (e.g., sIFR, Cufón, Typeface.js) is not permitted.

3. File Protection

You must take reasonable measures to ensure Webfonts are only used for styling text on your licensed domains. Examples of such measures include:

- Blocking hotlinking by unauthorized third parties,

All rights not expressly granted under this licence are reserved to Samuelstype.
