

Samuelstype EULA

There is no expiry to this license. The software may be used in perpetuity providing the limitations in the agreement are respected.

Any use of the software AI training is prohibited.

SAMUELSTYPE WEBFONTS – License Agreement (Web EULA).

By installing or using Samuelstype Webfonts (WOFF/WOFF2), you agree to the terms of this Agreement. Together with your purchase receipt, this Agreement forms the complete contract between you and Samuelstype Design AB (hereafter named 'Samuelstype').

This End User License Agreement for Web Use ("Web EULA") applies specifically to Samuelstype Webfonts. By using the licensed Webfont(s) on any HTML website or web page ("Website"), the purchaser (the "Licensee") accepts the following terms:

1. Usage.

- The licensed Webfont(s) may be used on any website owned or controlled by the Licensee under a single domain name, including subdomains.
- Monthly page views for all such websites must not exceed the number specified in your purchase receipt.
- Agencies (e.g., design firms or hosting providers) may not share a single Webfont license across multiple clients' websites.

Styled Content:

- Webfonts may be used on websites where visitors create text content styled with the licensed fonts, provided that the styled content **cannot** be exported or used outside the website.
- This includes restrictions against generating merchandise, PDFs, image files, or personalized products.

Newsletters:

- Webfonts may also be used in newsletters. When licensing, you must specify the number of monthly email opens.
- If used both on websites and in newsletters, the license must cover the combined total of page views and monthly opens.

Additional Conditions:

- Any font selection interface on the website must display the fonts' original names.
- Use of Webfonts for political campaigns, messaging, or by political organizations or lobbying groups requires **prior written approval** from Samuelstype.

2. Conversion and Modifications.

- You may not convert or edit the licensed Webfonts except for creating subsets. Samuelstype will neither provide subsetted fonts nor software to create subsets, nor support subsetted fonts. Any subsetted fonts you create under this clause will be subject to the full terms and conditions of this Agreement.
- Use of the Webfonts with alternative technologies (e.g., sIFR, Cufón, Typeface.js) is not permitted.

3. File Protection.

You must take reasonable measures to ensure Webfonts are only used for styling text on your licensed domains. Examples of such measures include:

- Blocking hotlinking by unauthorized third parties,
- Preventing direct downloads of the Webfonts unrelated to text styling on licensed domains.

4. Copyright.

The licensed Webfonts remain the property of Samuelstype. Unauthorized copying or use is strictly prohibited. You may be held legally responsible for any infringement of intellectual property rights caused by failing to comply with this Agreement. All rights not expressly granted under this licence are reserved to Samuelstype.

5. Termination.

This Agreement is effective until terminated. It will automatically terminate if you fail to comply with its provisions. Upon termination, you must delete all fonts and copies, including any modified versions.

6. Warranty and Disclaimer.

- Samuelstype warrants that the fonts are free of material defects under normal use for **14 days** from the date on your receipt.
- If defects are found, Samuelstype may either replace the fonts or refund the purchase price, provided you return the defective fonts with proof of purchase.
- This warranty does not cover damage caused by accident, misuse, negligence, theft, or loss. Replacement fonts are also covered for **14 days**.
- Except as stated above, the fonts are provided “**as is**”, without express or implied warranties, including merchantability or fitness for a specific purpose.
- You bear the entire risk regarding quality and performance. Samuelstype does not guarantee that the fonts will meet your requirements or function without errors.
- SAMUELSTYPE DOES NOT WARRANT THE PERFORMANCE OR RESULTS YOU MAY OBTAIN BY USING THE FONT SOFTWARE. THE FOREGOING STATES THE SOLE AND EXCLUSIVE REMEDIES FOR SAMUELSTYPE'S BREACH OF WARRANTY. EXCEPT FOR THE FOREGOING LIMITED WARRANTY, SAMUELSTYPE MAKES NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR

IMPLIED, AS TO NON-INFRINGEMENT OF THIRD PARTY RIGHTS, MERCHANTABILITY, OR FITNESS FOR ANY PARTICULAR PURPOSE. IN NO EVENT WILL SAMUELSTYPE BE LIABLE TO YOU OR ANYONE ELSE (I) FOR ANY CONSEQUENTIAL, INCIDENTAL OR SPECIAL DAMAGES, INCLUDING WITHOUT LIMITATION ANY LOST PROFITS, LOST DATA, LOST BUSINESS OPPORTUNITIES, OR LOST SAVINGS, EVEN IF SAMUELSTYPE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, OR (II) FOR ANY CLAIM AGAINST YOU BY ANY THIRD PARTY SEEKING SUCH DAMAGES EVEN IF SAMUELSTYPE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

7. Severability.

Samuelstype reserves the right to amend or modify this Agreement at any time and without prior notification. Any modifications will preserve the original permitted uses of this Agreement. Modifications may account for changes in technology that would otherwise impair or render obsolete provisions in this Agreement. Modifications shall not be applied retroactively and any original intended use cases will not be void as a result of any modifications.

This Agreement is governed by Swedish law.
